## Synopsis:

Kylie Scott returns with the highly anticipated follow-up to international bestseller LICK

Mal Ericson, drummer for the world famous rock band Stage Dive, needs to clean up his image fast--at least for a little while. Having a good girl on his arm should do the job just fine. Mal doesn't plan on this temporary fix becoming permanent, but he didn't count on finding the one right girl.

Anne Rollins never thought she'd ever meet the rock god who plastered her teenage bedroom walls--especially not under these circumstances. Anne has money problems. Big ones. But being paid to play the pretend girlfriend to a wild life-of-the-party drummer couldn't end well. No matter how hot he is. Or could it?

## Review quote

"Readers who enjoy whirlwind romances with plenty of sex and laugh-out-loud humor will love every installment, and another is due out in the fall."--Booklist (Starred review)"Pure rocker perfection in every single way..."Play "is a splendid marriage of romance and comedy, a possibly even better book than its stellar prequel, and I would recommend it to anyone who likes their love stories with a side of giggles."--Natasha Is a Book Junkie"Kylie Scott is quickly becoming one of my favorite authors at combining funny with sexy, and I can't wait to read more from her. "Play" is a definite must-read book!"--The Smut Books Club"Mal is taking us all by storm...go buy this book. Seriously. You won't regret it." - Fiction Vixen""Play" is a sweet new adult romantic contemporary that focuses on the relationship between an out of control rock star and a down on her luck young woman. Ms. Scott uses her skills to paint an engaging, quite humorous, and at times heartbreaking picture of first love as she builds a swoon worthy romance."--Smexy Books""Play" does not disappoint! It's sexy, naughty, and hilarious with a side note of serious that makes it all so real. I'm an affirmed Stage Dive groupie and I'm ready to follow those men on tour wherever they go! Rock on!!" -Up All Night Book Blog"Ever had that one character that captured your heart the minute he came in the story? Yeah...Mal is definitely that character. I'm now officially addicted to Stage Dive. I highly recommend it to readers out there that enjoy rock star romance books and the New Adult/Contemporary Romance genre." - Book Lovin' Mamas"I absolutely loved "Play, " and the minute I finished it I wanted to read it again just to make sure I didn't miss anything. With each book in this series, I become more attached to the characters and more enamored with author Kylie Scott." -Guilty Pleasure Book Reviews
