Overview:

Tennis Scoring Rules: **Origins** of a Strange System | Time The Points. Despite its complexity, the **tennis** scoring system has been stable since the Victorian period. The modern game of **tennis** traces back to a medieval game called jeu de paume, which began in 12th century France. It was initially played with the palm of the hand, and rackets were added by 16th century. **Tennis - Wikipedia Tennis** is a racket sport that can be played individually against a single opponent or between two teams of two players each (). Each player uses a **tennis** racket that is strung with cord to strike a hollow rubber ball covered with felt over or around a net and into the opponent's court. The object of the game is to play the ball in such a way that the ... **History of tennis - Wikipedia** The game that most people call '**tennis**' is the direct descendant of what is now known as real **tennis** or royal **tennis** (which continues to be played today as a separate sport with more complex rules). Most rules of the game commonly known as **tennis** derive from it. **History of Yoga • Yoga Basics** Yoga's history has many places of obscurity and uncertainty due to its oral transmission of sacred texts and the secretive nature of its teachings. The early writings on yoga were transcribed on fragile palm leaves that were easily damaged, destroyed or lost. The development of yoga can be traced
